

All right, here is the king you have chosen. You asked for him, and the Lord has granted your request. ~ 1Samuel 12:13

NOVEMBER NEWS

I vote for the babies

It seems that the abortion issue, women's rights, sexual assault, and immigration are at the top of the list for media attention in our country these days. You can't turn on the TV, pick up a newspaper, get on social media, or listen to the radio without numerous stories of groups exercising their freedom to speak and protest the government and especially President Trump. In some instances, violence has irrupted against those with opposing views. Judgements are being tossed about with some saying that if you supported the election of President Trump, you are a racist who hates women. Others tout if you supported the confirmation of Justice Kavanaugh then you dislike women and condone sexual assault. If you want border control, then you are a racist who is un-American. If you want open borders you must not like law and order. These are the accusations flying back and forth, exciting our country to be more divided than we have been in a very long time. I am sorry to see so much hate in our country and pray that it will end. I pray that we would shine the love of Christ as we speak out for what we believe as it aligns with God's truth.

That discussion I leave for another time.

Pro-life advocates have been very pleased with the way things are shaping up in our government, while those for abortion are very unhappy. President Trump and his administration have strongly advocated for the unborn and we are making great strides to limit abortion. Over the last nine years, elections of pro-life governors and legislators have resulted in hundreds of pro-life laws in our country. Your vote has been a vital part of that success. Who you elect makes a huge impact on the laws surrounding abortion, as well as many other areas of our life in America. As pro-life individuals, we want to make sure that we are voting for those representatives who support life for the unborn as well as other biblical principles. I encourage you to check out the positions of the individuals on the ballot. Don't just take the word of your favorite news caster, best friend, or local pregnancy center executive director; investigate for yourself what the candidates stand for. I have included a website where you can find out the positions of the candidates for your convenience <https://votesmart.org/>.

CNN reports (www.cnn.com), that Planned Parenthood is investing \$20 million to gain control of Congress because they know that their funding as well as permissions on abortion are in jeopardy if pro-lifers control the House and Senate. If Planned Parenthood succeeds in controlling the Senate, the progress we have made will likely be jeopardized.

At Life Choices Pregnancy Center, we are grateful for the many pro-life candidates that are running for government positions and for those who have represented us over the years. Standing for the rights of the unborn is an uphill battle with many consequences and we all have a part to play. gotquestions.org writes, "Voting is an opportunity to promote, protect, and preserve godly government. Passing up that opportunity means letting those who would denigrate the name of Christ have their way in our lives."

I encourage you to investigate the candidates for yourself and to urge your friends and family to do the same. Then, on November 6th, please get out and vote. I vote for the babies to have life; will you join me?

The Tree of Blessing

You can participate in this event by sponsoring one of our clients for Christmas.

On **November 5th** we will have our client's Christmas list of needs available for you to pick up at our location, 502 N. 2nd Avenue in Sandpoint.

We ask for the gifts to be wrapped in decorative paper and placed in a large bag, for easy distribution to the client, and delivered to us by **November 28th**.

On **December 6th** we will have a party for the clients, we will feed them, pray for them, encourage them and send them home with your blessings.

Our clients are always overwhelmed by the generosity and care you show them through this event. Many exclaim, "Why do these people, who don't know me, care so much about me?"

This is truly one of the most incredible displays of the unconditional love of Christ our clients get to experience.

Thank you for making the love of Jesus real to our clients.

This month we enter into the holiday season. We have two days for **getting** deals, Black Friday and Cyber Monday. On #GivingTuesday, we have a day for giving back.
